

A Harvest Alignment

(Josh 3:15 NKJV) And as those who bore the ark came to the Jordan, and the feet of the priests who bore the ark dipped in the edge of the water (for the Jordan overflows all its banks during the whole time of harvest),

(Josh 3:16 NKJV) that the waters which came down from upstream stood still, and rose in a heap very far away at Adam, the city that is beside Zaretan. So the waters that went down into the Sea of the Arabah, the Salt Sea, failed, and were cut off; and the people crossed over opposite Jericho.

Sermon Title: A Harvest Alignment

God timed their crossing of the Jordan with the time of great harvest.

The Jordan is always at flood stage during the time of harvest.

When you are at a crossing over, going through something, expect a harvest.

What seemed like a major hindrance was actually the timing of God to bring forth harvest in our lives

It was not the time that neither the leaders nor the people would have chosen to cross the Jordan. But God timed their crossing, their floodings with time of harvest.

When you feel overwhelmed, things seem to be out of control, flood stage; It could be that you are at a crossing, moving into the next level, a time of harvest, which God has chosen the timing.

When you are in the joy of His powerful presence that is moving you forward in God, look for harvest.

Go ahead step out. Take a step in the water and see what God has planned for you. It's a supernatural time. Volunteer to teach a class, go on a mission trip, and become a tither.

A Harvest Alignment

When the Word of God, the seemingly impossible odds, the command to move forward, converge in our lives, it becomes a time of great harvest
